Specific Room Goals for _____

Current reality:

How do we actually use this room right now?

What stuff do I keep in this room?

What are the key features I love? (ie. Fireplace, view, etc.)

What are main things that frustrate me? (Function, décor, layout, etc.)

Why do they frustrate me?

How I wish the room was:

Key activities/functions the room should facilitate:

Things I wish I could use this room for

The mood/atmosphere/emotions I want this room to reflect

List 3 - 5 adjectives that describe my ideal for this room

Ideas for Improvement:

What stuff do I need in this room for it to function well?

What hinders the room from functioning as I would like?

What can I easily change to make things work better?

What long-range things could be fixed to make this room better?
